Support and Collaboration Workshops

For National Board Candidates

(Full, Retakes, Take One, Renewals)

National University NBCT Professional Teaching Development Center (www.nuptdc.org) offers flexible options, a virtual PLC and face to face interaction with NBCT Candidate Support Providers. Our goal is to facilitate your development in the NB certification assessment process. It is up to you to determine the level, type, and frequency of the support that serves your individual needs. Each session begins with a topic of common interest, followed by work time, and individual assistance. Participate in as few, or as many sessions as you determine. As a member in our "e-Coach Team," you have access to certificate specific group resources, announcements, and NBCT e-Coaches. Check the NU-PTDC for local face to face meetings at NU-Satellite locations.

Join our E-TEAM through the NU-PTDC invitation.
